## District News

From Our Correspondents

### KIRKCALDY

Word has been received of the birth of a daughter to Mr. and Mrs. Herbert Springer (nee Laurene Markert) of Cathlamet, Wash., on Saturday, Feb. 15.

Miss Janet Ware, who has been spending the past three weeks in Calgary with relatives, returned home on Thursday. She was accompanied by Miss Ethel Lewis of Strathmore, who will visit here for a few weeks.

A. J. Maisey was a Lethbridge visitor on Saturday.

Friends will be sorry to learn that Mrs. A. J. Maisey suffered a broken wrist in a fall last week and is now a patient in the Vulcan hospital.

Lethbridge visitors on Saturday included Mrs. George Todd, Mrs. MacKay and Mrs. Goshwosky.

### EASTWAY

On Feb. 14 a card party was held at the home of Mr. and Mrs. F. M. Wyatt. Nine tables were in play, with winners as follows: Court whist: first, Mrs. F. Malcolm and Billy Burgess; consolation, Mrs. S. Campbell and O. Fleming. Five hundred: first, Mrs. N. Johnson and A. Sokvitne; consolation, Mrs. P. Laughlin and Mr. Laycraft.

Mr. and Mrs. Henry Ernst of Spring Coulee, are guests at the home of the latter's brother, Sep Washburn.

Mrs. J. R. Goldthorpe has spent the past two weeks visiting with her daughter and son-in-law at Brooks and is now with her daughter, Mrs. Martin Hoffman, north of Calgary.

Mr. and Mrs. G. Goch and Mrs. P. Laughlin were Sunday guests at the home of Mr. and Mrs. Ralph Mackenzie at Carlsland.

Don't forget the social to be held at Union Jack school on Feb. 21.

Friends of Mrs. Goldthorpe will be glad to learn that she is making a good recovery after being a patient in the Holy Cross hospital, where she underwent a serious operation.

Master Dale Wyatt spent several days this week visiting with his cousins at Carlsland.

Mr. and Mrs. Dave Lewis were Calgary visitors on Monday.

### BERRYWATER

Mr. and Mrs. Roy Adam and Norma accompanied by Mrs. J. McRoberts and Mrs. C. McIntyre were Calgary visitors on Friday and Saturday.

Mr. and Mrs. Rodney Munson of Bowden spent the week-end visiting in the district. They were house guests at the L. Munson home.

Mr. and Mrs. Cliff Booth of Lomond spent Sunday at the R. Adam home.

Mr. and Mrs. A. Knive and children of Red Cross were visitors Sunday at the A. McIntyre home.

Mr. and Mrs. L. Healy and Lorne Jr., are Calgary visitors this week.

Mr. and Mrs. H. C. Douglass and Mr. and Mrs. R. E. Hill are spending the week at Edmonton.

Mr. and Mrs. D. B. Smith accompanied their daughter, Betty, to Calgary at the week-end.

Recent guests at the J. McRoberts' home were: Rev. Gehring of Claresholm on Wednesday and Mr. and Mrs. H. Northcott, Milo, on Sunday.

### ARMADA

Miss Ethel Chambers of Calgary is visiting at the home of her aunt, Mrs. G. Stokes.

The school pupils, with their supervisor, Mrs. F. Stokes, held a Valentine party on Feb. 14.

Mrs. S. Henderson is in Calgary, taking medical treatment at the clinic.

The Legion and Women's Club will present a play some time in March. It will have a cast of 12.

Mr. and Mrs. R. Honas, Syd and Doris Carrington of Lomond spent Sunday at the home of Mr. and Mrs. E. Howell.

Nate Cotton, drayman and general handyman, has left Armada and his building is being moved away. Everyone will miss Nate.

Mrs. Frank Koch of Lomond had the luck to win \$3 on OFCN's Ful-O-Pep quiz show.

T. Benson and H. West of Lomond are both visiting at the coast.

Movies are now being shown every Saturday night in Lomond. Lomond seems to be building up, with a new garage, new houses, an addition to the telephone office and new machine and implement offices. There may also be a new coffee shop and there are quite a few new residents.

Mr. and Mrs. Vern Williams of Armada have been living in Vulcan this winter while their daughter

## Reid Hill H & S Association Meets

The February meeting of the Reid Hill Home and School Association was held at the school Feb. 5, with 22 members present.

The officers elected for the fiscal year ending June, 1947, are as follows: Recording secretary, Roy McIntyre; president, Norman Soder; corresponding secretary, Mrs. Cecil Smith; treasurer, Mrs. Mike Orchard.

Various committees were appointed with Miss McFarland named program convener, Miss Grindie, social convener and Mrs. L. Orchard, membership and publicity convener.

Mrs. Wolfe, visiting from the Vulcan Home and School Association, gave many useful and greatly appreciated hints concerning the improvement of the association.

At the close of the business meeting a social period followed during which a delicious lunch was served by Mrs. Ross McIntyre, Mrs. W. Scotney, Mrs. Mike Orchard and Mrs. A. Engen.

The next meeting will be held on March 5, at 8 p.m. at the Reid Hill school.

## Carnival Queen

Verna Smith

Who was crowned queen of the recent high school ice carnival. Miss Smith was sponsored by the Vulcan Lions Club.

## Re-elect Matlock In Div. 1 Municipal Council

R. H. Matlock of Champion, will again represent Division 1 of the Municipal District of Vulcan No. 29. At the annual ratepayers meeting on Saturday afternoon he was re-elected by acclamation as councillor for Division 1 and J. E. Carlson was re-elected as representative on the Vulcan Municipal Hospital Board.

No nominations were received for representatives on the High River and Little Bow hospital boards, and these members will therefore be appointed by the council. A. J. Miller was the returning officer.

Members of the council of the M.D. of Vulcan for 1947 are: Div. 1, R. H. Matlock; Div. 2, J. E. Carlson; Div. 3, F. E. Bennett; Div. 4, Dan McQueen; Div. 5, T. F. Fisher (Reeve); D. D. McQueen is secretary-treasurer.

## Snow-Rathwell Wedding Feb. 14

A quiet wedding of interest here took place Friday evening, at the United church, when Norma Rathwell of Medicine Hat became the bride of Calvin Snow, youngest son of Mr. and Mrs. W. Snow, Vulcan. Rev. O. H. Rollis officiated.

The young couple were attended by Mr. and Mrs. B. A. Drummond.

The bride chose for her wedding a grey suit with which she wore black accessories.

After a short honeymoon in Calgary, Mr. and Mrs. Snow will take up residence in the district.

## Former Vulcan Girl Married

Seven-thirty the evening of January 24, was the hour chosen by Helen Ruth Lockhart for her marriage to Tom Wilson Cran at a ceremony performed in North Hill Presbyterian church with Rev. Mr. McKee officiating. The bride, who is the daughter of Mr. and Mrs. D. Lockhart of Calgary, was given in marriage by her father, to the son of Mr. and Mrs. F. Cran, also of this city.

For her marriage the bride wore a light blue gabbard suit complemented with white accessories and a corsage of pink sweetheart roses with matching flowers trimming her small model hat.

Miss Eileen Cope was the bride's only attendant attired in a Chinese red suit worn with navy blue accessories and a corsage of white carnations.

Duncan Cran was groomsmen, and Johnny Walker and Bill Johnson ushered the guests to pews marked with blue satin bows.

Mr. Cotterill presided at the organ throughout the ceremony, and accompanied Miss Jean Martin who sang "Because" during the signing of the register.

The Palliser hotel was the setting for a reception held following the service, when the bride's mother and the mother of the groom received with the bridal party. The former chose for her daughter's wedding, a frock of navy blue and white sheer with corsage of red roses, while Mrs. Cran was attired in a black wool crepe ensemble, with shoulder bouquet of red roses.

Mixed bouquets of spring flowers decorated the bride's table which was centred with a three-tiered wedding cake.

A. Cran, uncle of the groom, proposed the toast to the bride, to which the groom responded.

Mr. and Mrs. Cran left later for Banff where their honeymoon will be spent, after which they will take up residence at 1419 1A St. N.W. in Calgary. To travel the bride topped her wedding suit with a white "shorty" coat and wore a cerise hat.

## DRILL HALL

The February issue of the Reserve Force and Cadets "Bulletin," published by Rear H.Q. Western Command, Calgary, has the following to say in regard to the erection of a drill hall at Vulcan for the Reserve Army.

"Authority has now been received at Rear H.Q. Western Command, to proceed with the moving and re-erection of a drill hall at Vulcan. This work will be commenced as soon as the weather permits.

It was in June, 1945, that Mayor W. D. Allan, chairman of the Citizens' Committee at Vulcan ("A" Coy., Calgary Highlanders—Maj. C. R. Robson, O.C.) advised this

## Municipal District of Vulcan In Sound Financial Position

Expenditures Exceed Revenue in Past Four Years, But Healthy Surplus and Low Tax Rate Maintained

In 1946, collection of the current tax levy in the Municipal District of Vulcan was 98 per cent and collection of arrears was 30 per cent. This information, reflecting the prosperity of the Vulcan district, was brought out at the annual meeting of ratepayers of the municipality, held in the Oddfellows Hall, Saturday afternoon. The financial statement showed the municipal district to be in excellent financial condition, despite the heavy expenditure on road work the past year and the fact that last year's mill rate of 6 mills was one of the lowest in the province.

At the beginning of 1946 the district had a surplus of \$134,000, with \$100,000 of this amount in Victory Bonds. Of this surplus, \$34,000 was transferred to the current revenue and expenditure account for use in the 1946 operations of the district. Total expenditures during the year amounted to \$192,000, and 1946 revenue was \$180,000, showing a net deficit in the year's operations of some \$12,000. This was absorbed in the 1946 budget by the inclusion of the \$34,000 transferred from the previous year's surplus. The surplus account shows a reduction of \$40,000 in the past four years.

Graveling and maintenance of roads was the main topic of discussion at the annual meeting of the ratepayers of the Municipal District of Vulcan No. 9, held in the Oddfellows Hall on Saturday afternoon, Feb. 16. A. J. Miller was chairman and D. D. McQueen secretary of the meeting, which was attended by about 50 ratepayers.

Last year the municipality gravelled 29 miles of roads at a cost of \$23,000, and received a grant from the provincial government of \$6,000 for this purpose. It is hoped to continue this policy of graveling market roads. Ratepayers showed interest in the three-way scheme for graveling side roads, whereby the municipality, government and farmer each pay one-third the cost of graveling side roads leading into farms.

Some divisions of the municipality have been put to heavy expense this year for snow removal, with such snow clearance expenditures coming out of their regular allowance for road work. The meeting was of the opinion that expenses incurred for snow removal or repairing cloudburst damage should be met out of the general fund rather than out of the particular division's allotment for road work, and a motion to this effect was passed.

There was considerable discussion on the building of a storage shed and repair shop for municipal machinery. Councillors told of their efforts in this respect, with suitable materials being unobtainable at the present time.

There was some discussion on other subjects, such as control of weeds in road ditches, widening of road allowances, and purchase of new machinery for the municipality.

### Reeve's Report

The report given by Reeve T. F. Fisher presents a clear picture of the operations of the Municipality for the year 1946 and is therefore reprinted in full:

"Mr. Chairman, Ladies and Gentlemen:

We have concluded another year in the history of the Municipal District, and as in the past we find ourselves in a very sound financial position.

There is one thing which I would like to draw your attention to our financial statement, and that is the statement of Revenue and Expenditures on pages four and five. We show a surplus for the year of \$21,697.19, but this figure is only arrived at when we brought forward the sum of \$34,408.48 from the year 1945 to be used in the 1946 budget. Actually we went behind on the year's operations the sum of \$12,711.29. During the four years operation of the enlarged District our Surplus account has decreased about \$40,000.00.

Tax collections continue to be very good. Collections of the current levy were over 98% and collections on arrears were 30%. Our

headquarters that the town of Vulcan was willing to forgo the accommodation which would be afforded by a Company Armory and accept in its stead a drill hall.

First representations made to Army Headquarters in this regard were not approved, but as a result of negotiations conducted by Col. T. E. D'O. Snow, O.B.E., and by Col. G. E. Leighton, D.S.O., O.B.E., (AA & QMG, M.D. 13) at Ottawa, this work has now been approved by the Privy Council."

## Last Rites For John Hale Welsh

Funeral services for John Hale Welsh of Brant, who died suddenly on Monday, Feb. 10, were held from the Vulcan United Church on Thursday, Feb. 13, at 2 o'clock. Jack Deans, an old friend, conducted the services, and Cyril Hutchison of Calgary sang two solos, "There's No Disappointment in Heaven" and "The City Four-Squared."

Born at Newport, Wales, on Jan. 9, 1903, Mr. Welsh came to Calgary with his family in 1912. A year later they moved to their farm in the Brant district, where he resided until the time of his death. Mr. and Mrs. Welsh had just returned from a month's visit in California when he was suddenly taken ill and removed to the Vulcan hospital, where he died.

Surviving are his wife and six-year-old son and four sisters, Miss Jessie Welsh, Brant; Mrs. Winnie Jackson, Brant; Mrs. Hilda Thorp, Ensign; and Mrs. Mary Ruark, Claresholm.

A graveyard service was conducted by Samaritan Lodge, I.O.O.F., and pall-bearers were Robert Irwin, Cliff Andrews, Roy Vian, Clarence Vian, Ross Kennedy and George Hamilton.

The large number of friends attending the funeral service was significant of the esteem in which Mr. Welsh was held. Interment was made in the Vulcan cemetery.

arrears outstanding at the end of the year 1946 are the lowest in history, only \$41,000.00 and since the end of the year a considerable amount of this has been collected. Practically all of the land in our district is in good shape as far as taxes are concerned.

Owing to the fact that we have been using previous years surplus to balance our budgets, taxes have been low. Our Municipal mill rate of 6 mills is as low as any in the province, and is considerably less than the average.

In setting the mill rates this year, the council took the view that school and hospital requisitions should be levied in full to the nearest even mill as possible after providing for the discount for early payment. School rates were Lethbridge School Division 19, Macleod 16, Foothills 10, Bow Valley 13, Vulcan 15 and Champion 12. Hospital rates were two and three mills. Social Service rate was three mills. The Municipal rate of six mills produces a little more than \$36,000.00 net. Out of a total tax levy of some \$162,000.00 the district could only retain \$36,000.00 to carry on the Municipal expenditures. Our requisition payments during the year amounted to \$108,000.00 or \$9,000.00 every month which in addition to our Municipal expenditures brings our monthly commitments up to about \$16,000.00. You will readily understand that the District, if it is to carry on on a cash basis requires a working balance of a considerable amount. We have been able to keep our bonds intact up to now, but the prospect for 1947 is that in spite of the higher mill rates we are expecting for schools and Municipal we shall have to sell some bonds in order to carry on. One poor collection year would easily wipe out these bonds and in place of having cash in the form of bonds, we would have arrears of taxes on the tax rolls.

Our new assessment will be used in 1947, and many of you will notice quite a change in your taxes. The total assessment of the District now is about 6 and a quarter million dollars on land and \$140,000.00 on improvements. An overall reduction of 3% from the last assessment. We are one of the very few Districts in the Province whose assessment is lower than the previous one. There will be many cases where taxes will be lower than last year, and also cases where taxes are higher, providing the mill rates do not vary to any great extent. However, I may as well warn you that the Municipal rate will not remain at six mills this year if we are to continue spending as much money on roads.

Just this week it has been announced by the Minister of Education that the boundaries of the Lethbridge and Macleod School divisions have been revised. All of the land in our Municipal District formerly in the Lethbridge School Division have been transferred into the Macleod School Division. Those of you who have been paying the high mill rate in Lethbridge division will welcome this change into a lower rate district, and also it is believed that the school needs will be more readily looked after in

## One Billion Dollars of GREAT-WEST LIFE PROTECTION

#### TO OUR POLICYHOLDERS . . .

This one billion dollars represents the total sum which 315,000 policyholders have provided through this Company for the protection of their families and themselves. It brings them peace of mind and financial security. Every phase of their Company's operations made notable progress in 1946.

#### TO OUR ORGANIZATION . . .

It is a measure of our trusteeship and of the service we are privileged to render throughout Canada and the United States. New protection of 173 million dollars, completed during 1946, reflects the ability and enterprise of our Field organization and the confidence they so well merit.

#### TO THE PUBLIC . . .

This co-operative achievement of policyholders and their Company constitutes a great trust, faithfully administered in the public interest. It provides stability and strength to the nation's economy. The organization and services of this Company stand ready to serve you—now and in the future.

#### 1946 HIGHLIGHTS

Insurance and Annuities in Force	\$1,057,000,000
New Business Placed	173,000,000
Assets	275,000,000

These cattle are not the culls of our herd, but as we are selling the 101 Ranch it is necessary that we reduce the size of our herd. Some of these cows are strong in dual purpose blood.—Ross Walker, Ph. 33, Vulcan. 22-tf

## Declare War On Coyotes

The Alberta government will hire special coyote hunters, permit widespread snaring of coyotes, and make special coyote-killing machines available to farmers and sheep ranchers. This was announced in January as public alarm grew at the inroads of the animals on sheep herds in the province. The hunters employed by the government will be paid a minimum wage and will be allowed to pocket the income from sale of pelts.

The killing machine to be used consists of a mechanism placed so that the top is flush with the ground. This top is wrapped with some kind of bait which is scented to attract the animals. When the coyote bites the bait, a discharge of sodium cyanide into his mouth brings quick death.—Farm and Ranch Review.

The Scouts, Cubs, Guides and Brownies held a demonstration at Brant hall on the evening of Feb. 7. A large number of parents were in attendance and Constable J. Hurst, R.C.M.P., of Vulcan, gave an interesting talk.

#### CARD OF THANKS

We wish to thank our many friends and neighbors for their kind and beautiful expressions of sympathy extended to us during our recent sad bereavement.

Mrs. Grace Welsh and Bobby. Mr. and Mrs. Eric Thorp and family. Mr. and Mrs. R. Jackson and family. Miss Jessie Welsh.

#### CARD OF THANKS

Mrs. C. Zahnd wishes to express her thanks to Dr. Almond, the nurses of the Hospital, and neighbors and friends for their many kindnesses during her recent illness.

#### CARD OF THANKS

I wish to thank the Matron and staff of the Vulcan Municipal Hospital for the efficient and kind treatment given me while a patient in the Hospital. I have been in several hospitals, both in Canada and the States, but I will say without hesitation that the treatment received in Vulcan hospital is by far the best.

D. M. PEARSON.

## Good Roads MEAN MILLIONS To Alberta

The tourist trade is estimated to have brought nine and a half million dollars to Alberta in 1946, about one and a half times the Provincial expenditure on roads (\$6,605,950 est.) for the year.

This tourist income can be multiplied as soon as we provide the kind of all-weather highway system that makes tourist travel easy and pleasant. And we need such roads for our own use and in the interests of our own progress.

The Alberta Government is to be commended on its recently announced outline of a \$9,500,000 highway program for 1947. If this program is carried out and repeated over a period of years, we will have roads worthy of Alberta and worth a great deal more than their cost to us.

Total \$ 5,858.25

## BYLAW No. 189 OF THE TOWN OF VULCAN - SEWER BYLAW

A Bylaw to authorize the Municipal Council of the Town of Vulcan to incur an indebtedness on behalf of the said Town for the purpose of providing a sewer and sewage disposal system for the said Town.

WHEREAS it is deemed expedient to construct a Sewer and Sewage Disposal System for the said Town; and

WHEREAS plans, specifications and estimates for such works have been made by Messrs. Davis, Ripley and Associates, Professional Engineers, whereby the total cost of the said Sewer and Sewage Disposal System is estimated to be \$75,000.00; and

WHEREAS in order to construct and complete the said System it will be necessary to borrow the said sum of \$75,000.00 on the credit of the Town by the issuing of debentures of the said Town as herein provided; and

WHEREAS the said indebtedness is to be repaid over a period of Thirty (30) years dating from the first day of December of the calendar year in which the debentures are issued, in varying instalments of principal, on the First day of December in each of the years 1948 to 1977 inclusive as set out in Schedule "C" hereto attached, together with interest at the rate of Four (4) per centum per annum, payable annually on the First day of December in each year, provided that interest only to the First day of December shall be paid in the year of issue, and callable on the instance of the Town on the First day of December in any year following the repayment of the tenth annual instalment as hereinafter provided; and

WHEREAS the whole ratable property of the said Town of Vulcan according to the last revised Assessment Roll is \$567,835.00; and

WHEREAS there is at this time no existing indebtedness of the said Town for debenture purposes; and

WHEREAS the proposed Sewer and Sewage Disposal System would serve about 22,670 lineal feet of frontage; and

WHEREAS under Bylaw No. 191 prepared it is estimated that an annual amount of revenue of \$4,530.00 will be collected in Sewer Service Charges and an estimated annual amount of \$2,267.00 will be collected by way of Special Assessment to meet the annual debenture payments and an estimated cost of operation and maintenance of \$1,057.00 per annum and a sum for depreciation reserve of \$464.00 per annum, and that any sum required to make up any deficit shall be provided by a rate on all the ratable property of the Town.

WHEREAS the estimated life of the said utility is Thirty (30) years; and

WHEREAS the construction of the proposed Sewer and Sewage Disposal System has been provisionally approved by the Provincial Board of Health under Certificate No. 534-46; and

WHEREAS the said Sewer System is to be constructed on or under the streets and lanes of the Town of Vulcan and the Sewage Disposal System as arranged in and outside of the limits of the said Town, in accordance with the said plans and specifications; and

WHEREAS it is expedient to undertake the Owner's Portion of the said works as specified in Schedule "A," Item 1 to 11 inclusive, hereto annexed, as a Local Improvement under PART VIII of the Town and Village Act, and that the cost thereof, namely \$39,400.00, be paid by Special Frontage Assessment as shown in said Schedule "A" and which said sum shall be the Owner's Portion of the

cost of the said work; and

WHEREAS the total value of the land charged with the said Special Frontage Assessment according to the last revised Assessment Roll is \$152,400.00; and

WHEREAS a Notice of its intention to undertake the said Local Improvement has been duly published as required by Section 282 (c) of the said Act, and no petition has been received against the said project;

NOW THEREFORE the Municipal Council of the Town of Vulcan in Council assembled ENACTS AS FOLLOWS:

1. That the Municipal Council of the Town of Vulcan is hereby empowered and authorized to enter into such contracts and engagements for the construction and/or carrying out of the proposed Sewer and Sewage Disposal System as may be necessary.

2. That for the purpose aforesaid the sum of \$75,000.00 be borrowed by way of debentures on the credit and security of the Town of Vulcan at large but as to so much as is not to be paid by the Town at large, namely \$39,400.00, the Town is to collect the same by way of Special Assessment as herein provided.

3. That the debentures to be issued under this Bylaw shall be for the said sum of \$75,000.00 payable as hereinafter mentioned.

4. The said debentures shall be dated upon such day as may be appropriate having regard to the date of the borrowing of the money, and subject to the right of redemption in advance of maturity as hereinafter set forth, shall be payable in varying instalments of principal on the First day of December in each of the years 1948 to 1977 inclusive, the respective amounts of principal maturing in each of such years being as set forth in Schedule "C" hereto attached which is hereby declared to be and forms part of this Bylaw. The debentures maturing in each of such years shall bear interest at the rate of Four (4) per centum per annum as set out in Schedule "C" and such interest shall be payable annually on the First day of December in each year during the currency of the debenture, the said interest to be computed from the date of issue of said debentures and the first payment of interest to be made on the First day of December in the year of issue. The debentures shall have coupons attached thereto for the payment of interest. The debentures may be in the denominations of \$500.00 or any multiple thereof.

5. The debentures issued under this Bylaw at any time outstanding shall be redeemable at the option of the Town in whole or in part at any date on or after the First day of December, 1957, and prior to the maturity thereof at the place where and in the manner in which the said debentures are expressed to be payable, upon payment of the principal amount thereof together with interest thereon accrued to the date of redemption and upon giving previous notice of such redemption by publishing a Notice of Redemption once a week for two consecutive weeks in the Calgary Herald and the Vulcan Advocate, or in a newspaper having a general circulation in the City of Calgary and the Town of Vulcan, and in the case of registered debentures by mailing a Notice of Redemption to the registered holders at their addresses shown in the debenture register of the Town, such Notice to be published and mailed as aforesaid at least sixty (60) days prior to the date fixed for the redemption.

6. The said debentures shall be signed by the Mayor and Secretary-Treasurer of the said Town of Vulcan and the Secretary-Treasurer shall affix thereto the Corporate Seal of the Town.

7. The coupons attached to the said debentures shall be signed by the Mayor and Secretary-Treasurer of the Town and such signatures may be engraved or lithographed.

8. The debentures and the coupons for interest thereto attached shall be payable in lawful money of the Dominion of Canada at the Canadian Bank of Commerce in the Town of Vulcan. The said debentures and the interest coupons attached thereto shall be substantially in the form set forth in Schedule "B" hereto which is hereby declared to be and form part of this Bylaw.

9. There shall be levied and raised in each year of the currency of the debentures hereby authorized, the amount necessary to pay the Town's portion of the interest falling due in such year on such debentures, and in addition thereto the amount required to pay the Town's portion of any of such debentures which fall due in such year, such sums to be levied and raised in the manner described in Bylaw No. 191 and any sum required to make up a deficit (if any) by a rate sufficient therefor on all the ratable property in the said Town and collectible at the same time and in the same manner as other rates.

10. During the currency of the

said debentures there shall be raised annually for the payment of the Owner's Portion of the cost and interest thereon by Special Assessment under PART VIII of the said Act, the sum of \$2,267.00, and there is hereby imposed on all lands fronting or abutting on that portion of the streets or places whereon the said sewer system is to be laid or benefitting therefrom a Special Assessment as shown in schedule "A" attached, Items 1 to 11 inclusive, sufficient to cover the Owner's Portion of the cost of the said work and the interest thereon, and the said Special Assessment shall be in addition to all other rates and taxes.

11. The said indebtedness is contracted on the credit and security of the Town of Vulcan at large but as to so much thereof as is not to be paid by the Town at large the Town is to collect the same only by way of Special Assessment as aforesaid.

12. This Bylaw shall take effect on the date of the final passing thereof.

READ a first time and passed provisionally in Council this 13th day of January A.D. 1947.

## NOTICE

TAKE NOTICE that the foregoing is a true copy of proposed Bylaw No. 189 and synopsis of the preamble thereto to incur an indebtedness on behalf of the said Town of Vulcan for the purpose of providing in the said Town of Vulcan a sewer and sewage disposal system and approved by the Board of Public Utility Commissioners, by Order No. 10879.

AND TAKE FURTHER NOTICE that said proposed Bylaw No. 189 will be finally passed by the said Municipal Council of the Corporation of the Town of Vulcan upon the assent thereto of two-thirds of the proprietary electors of the said Town who have voted thereon.

MABEL O. REA,

Returning Officer.

## NOTICE

TAKE NOTICE that the foregoing is a true copy of a proposed Bylaw and synopsis of the preamble thereto which has been introduced in the Municipal Council of the Corporation of the Town of Vulcan and which will be finally passed by the Municipal Council of the Corporation of the Town of Vulcan upon the assent of two-thirds of the proprietary electors of the said Town who have voted thereon and that the votes of the said proprietary electors of the said Town for and against the said Bylaw will be taken on WEDNESDAY, THE 12TH DAY OF MARCH, 1947 in the Town Office in the said Town of Vulcan between the hours of 10.00 in the forenoon and 7.00 o'clock in the afternoon, and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said Bylaw at the hour of 7.00 o'clock in the afternoon of the said 12th day of March, 1947, and declare the result thereof.

MABEL O. REA,

Returning Officer.

## BYLAW NO. 191 - SEWER RATES BYLAW

A BYLAW of the Town of Vulcan to provide for the levying and collecting of charges for sewer services.

WHEREAS it is estimated that the cost of operating and maintenance of the proposed Sewer and Sewage Disposal System will be about \$5,858.25 per annum, which amount covers the annual debenture payment under SEWER BYLAW No. 189, together with the cost of operation and maintenance of about \$1,057.00 and a sum for depreciation reserve of \$464.00.

WHEREAS the probable revenue from the said system for each year would be about \$4,530.00 from sewer service charges and \$2,267.00 per year from "Special Assessment";

The Mayor and Council of the Town of Vulcan ENACTS AS FOLLOWS:

1. Every person firm or corporation being the registered occupant entitled to possession under an agreement of sale of property which is served directly or indirectly by a connection with the Town of Vulcan Sewerage System shall pay to the Town the sewer service charges set out hereinafter.

2. The following shall be the monthly sewer service charges to be levied, payable monthly:

For Single Family Dwellings	\$1.00
Plus for each additional family therein	.75
For Apartment House	1.00
Plus for each family unit therein	.75
For Rooming Houses (private)	1.00
Plus additional for each guest room	.50
For Stores and Offices	1.00
For Theatres and Halls	1.00

For Garages and Service Stations, each	2.00
For Pool Rooms and Recreational Halls	2.00
For Restaurants	5.00
For Barber Shops and Beauty Parlors	5.00
For Laundries	5.00
For Schools, each	10.00
For Hospitals	15.00
For Hotels with beer license	20.00
For Creameries	25.00

Any service not specially rated in the foregoing schedule of rates shall take a minimum basic rating of sixty (60) cents per 1,000 Imperial Gallons of water used per month, with a minimum charge of \$1.00 per month.

3. The Town Council shall have the right to decide into what classification any building belongs.

4. Sewer service charges in default shall constitute debts to the Town which may be recovered by action in any court of competent jurisdiction or by distress upon and seizure of the goods and chattels of either the owner or occupant or occupant of the property served, and sewer service charges in default shall constitute a lien upon the property served and shall be subject to the same penalties and shall be collectible in the same manner as taxes.

This Bylaw shall take effect on the date of the final passing thereof.

READ a first time and passed provisionally in Council at Vulcan, in the Province of Alberta, this 5th day of September A.D. 1946.

#### B. ESTIMATED EXPENDITURES

(a) Estimated Operational Costs:

Maintenance \$ 400.00

Operator's wages (waterworks portion) 700.00

Billing & Meter reading 500.00

Power Costs \$ 975.00

Total \$ 2,575.00

(b) Annual Debenture Payments

(approximately) \$ 5,667.34

(c) Depreciation Reserve \$ 1,256.28

Total \$ 9,498.62

## BYLAW NO. 190 OF THE TOWN OF VULCAN - WATER BYLAW

A Bylaw to authorize the Municipal Council of the Town of Vulcan to incur an indebtedness on behalf of the said Town for the purpose of providing a water supply and distribution system for the said Town.

WHEREAS it is deemed expedient to construct a Water Supply and Distribution System for the said Town; and

WHEREAS plans, specifications and estimates for such work have been made by Messrs. Davis, Ripley and Associates, Professional Engineers, whereby the total cost of the said Water Supply and Distribution System is estimated to be \$98,000.00; and

WHEREAS in order to construct and complete the said System it will be necessary to borrow the said sum of \$98,000.00 on the credit of the Town by the issuing of debentures of the said Town as herein provided; and

WHEREAS the said indebtedness is to be repaid over a period of Thirty (30) years dating from the first day of December of the

calendar year in which the debentures are issued, in varying instalments of principal on the First day of December in each of the years 1948 to 1977 inclusive as set out in Schedule "C" hereto attached, together with interest at the rate of Four (4) per centum per annum, payable annually on the First day of December in each year, provided that interest only to the First day of December shall be paid in the year of issue, and callable at the instance of the Town on the First day of December in any year following the repayment of the tenth annual instalment as hereinafter provided; and

WHEREAS the whole ratable property of the said Town of Vulcan according to the last revised Assessment Roll is \$567,835.00; and

WHEREAS there is at this time no existing indebtedness of the said Town for debenture purposes; and

WHEREAS the proposed Water Supply and Distribution System would serve about 21,200 lineal feet of frontage; and

WHEREAS under Bylaw No. 193 prepared it is estimated that an annual amount of revenue of \$9,600.00 will be collected in Water Rates and estimated annual amount of \$1,270.00 will be collected by way of Special Assessment and \$1,060.00 in Frontage Tax to meet the annual debenture payments and an estimated cost of operation and maintenance of \$2,575.00 per annum and a sum for depreciation reserve of \$1,256.28 per annum, and that any sum required to make up any deficit shall be provided by a rate on all the ratable property of the Town.

WHEREAS the estimated life of the said utility is Thirty (30) years; and

WHEREAS the construction of the proposed Water Supply and Distribution System has been provisionally approved by the Provincial Board of Health under Certificate No. 534-46; and

WHEREAS the said Water Distribution System is to be constructed on or under the streets and lanes of the Town of Vulcan and in accordance with the said plans and specifications; and

WHEREAS it is expedient to undertake the Owner's Portion of the said work as specified in Schedule "A" Items 1 to 12 inclusive, hereto annexed, as a local improvement under PART VIII of the Town and Village Act, and that the cost thereof, namely \$22,000.00 be paid by Special Frontage Assessment as shown in said Schedule "A" and which said sum shall be the Owner's Portion of the cost of the said work.

WHEREAS the total value of the land charged with the said Special Assessment according to the last revised Assessment Roll is \$152,000.00; and

WHEREAS a Notice of its intention to undertake the said Local Improvement has been duly published as required by Section 282 (c) of the said Act, and no petition has been received against the said project;

NOW THEREFORE the Municipal Council of the Town of Vulcan in Council assembled ENACTS AS FOLLOWS:

1. That the Municipal Council of the Town of Vulcan is hereby empowered and authorized to enter into such contracts and engagements for the construction and/or carrying out of the proposed Water Supply and Distribution System as may be necessary.

2. That for the purpose aforesaid the sum of \$98,000.00 be borrowed by way of debentures on the credit and security of the Town of Vulcan at large but as to so much as is not to be paid by the Town at large, namely \$22,000.00, the Town is to collect the same by way of Special Assessment as herein provided.

3. That the debenture to be issued under this Bylaw shall be for the said sum of \$98,000.00 payable as hereinafter mentioned.

4. That the said debentures shall be dated upon such day as may be appropriate having regard to the date of the borrowing of the money, and subject to the right of redemption in advance of maturity as hereinafter set forth, shall be payable in varying instalments of principal on the First day of December in each of the years 1948 to 1977 inclusive, the respective amounts of principal maturing in each of such years being as set forth in Schedule "C" hereto attached which is hereby declared to be and forms part of this Bylaw.

The debentures maturing in each of such years shall bear interest at the rate of Four (4) per centum per annum as set out in Schedule "C" and such interest shall be payable annually on the First day of December in each year during the currency of the debenture, the said interest to be computed from the date of issue of the said debentures and the first payment of interest to be made on the First day of December in the year of issue. The debentures shall have coupons attached thereto for the payment of interest. The debentures may be

in the denominations of \$500.00 or any multiple thereof.

5. That the debentures issued under this Bylaw at any time outstanding shall be redeemable at the option of the Town in whole or in part at any date on or after the First day of December, 1957, and prior to the maturity thereof at the place where and in the manner in which the said debentures are expressed to be payable, upon payment of the principal amount thereof together with interest thereon accrued to the date of redemption and upon giving previous notice of such redemption by publishing a Notice of Redemption once a week for two consecutive weeks in the Calgary Herald and the Vulcan Advocate or in a newspaper or newspapers having general circulation in the City of Calgary and the Town of Vulcan, and in the case of registered debentures by mailing a Notice of Redemption to the registered holders at their addresses shown in the debenture register of the Town, such Notice to be published and mailed as aforesaid at least sixty (60) days prior to the date fixed for redemption.

6. That the said debentures shall be signed by the Mayor and Secretary-Treasurer of the said Town of Vulcan and the Secretary-Treasurer shall affix thereto the Corporate Seal of the Town.

7. The coupons attached to the said debentures shall be signed by the Mayor and Secretary-Treasurer of the Town and such signatures may be engraved or lithographed.

8. The debentures and the coupons for interest thereto attached shall be payable in lawful money of the Dominion of Canada at the Canadian Bank of Commerce in the Town of Vulcan. The said debentures and the interest coupons attached thereto shall be substantially in the form set forth in Schedule "B" hereto which is hereby declared to be and form part of this Bylaw.

9. There shall be levied and raised in each year of the currency of the debentures hereby authorized, the amount necessary to pay the Town's portion of the interest falling due in such year on such debentures, and in addition thereto the amount required to pay the Town's portion of any such debentures which fall due in such year, such sums to be levied and raised in the manner described in Bylaw No. 193 and any sum required to make up a deficit (if any) by a rate sufficient therefor on all the ratable property in the said Town and collectible at the same time and in the same manner as the other rates.

10. During the currency of the said debentures there shall be raised annually for the payment of the Owner's Portion of the cost and interest thereon by Special Assessment under PART VIII of the said Act, the sum of \$1,270.00 and there is hereby imposed on all lands fronting or abutting on that portion of the streets or places whereon the said Water System is to be laid or benefitting therefrom, a Special Assessment as showing in: Appendix "A" attached, Items 1 to 12 inclusive, sufficient to cover the Owner's Portion of the cost of the said work and the interest thereon, and the said Special Assessment shall be in addition to all other rates and taxes including Frontage Tax levied under Section 305 of the said Act.

11. The said indebtedness is contracted on the credit and security of the Town of Vulcan at large but as to so much thereof as is not to be paid by the Town at large the Town is to collect the same only by way of Special Assessment as aforesaid.

12. This Bylaw shall take effect on the date of the final passing thereof.

### BYLAW NO. 193 WATER RATES BYLAW

BEING A BYLAW of the Council of the Town of Vulcan for the purpose of establishing a scale of fees or rates with respect to the operating and maintenance of a Water Supply and Distribution System in the Town of Vulcan as proposed in Bylaw No. 190, and known as the WATER RATES BYLAW, and for the levying and collecting of the same.

WHEREAS the Council of the Town of Vulcan deem it necessary to make provisions for the levying and collecting of certain rates or charges to meet the cost of maintaining and operating the proposed water supply and distribution system as provided in Water Bylaw No. 190 together with the payment of the annual instalments of principal and interest on the debenture issue of \$98,000.00, being the amount to be borrowed for the construction and completion of the said waterworks as in said Bylaw made and contained, and

WHEREAS the proposed water supply and distribution system would serve 21,200 lineal feet of property available for frontage tax as provided in the Town and Village Act, 1942, and amendments thereto.

WHEREAS the Council of the Town of Vulcan in Council assembled, pursuant to authority granted in the Town and Village Act, ENACTS AS FOLLOWS:

1. That this Bylaw shall be known as the Water Rates Bylaw.  
2. That every person, firm or corporation being the registered owner, occupant or the purchaser entitled to possession under an agreement of sale, of property which is served directly or indirectly by a connection with the water and distribution system of the said Town of Vulcan shall pay monthly to the said Town the water rates set out as follows:

For the first 2,000 Imperial Gallons \$3.00  
For the next 3,000 Imperial Gallons .85  
per 1,000 Imperial Gallons  
Over 5,000 gallons at \$.65 per 1000 Imperial Gallons.

3. The Council may vary the said rates or any of them from time to time.

4. The services herein provided for may be disconnected on default of payment of rates. The charge for re-connection shall be \$1.00.

5. A Consumer's Deposit of \$5.00 shall be made on application for service, which fee shall be refunded on discontinuance thereof, less any amount owing to the Town for the service.

6. The minimum monthly charge shall be \$3.00 as aforesaid, except where a service is not metered the minimum charge shall be \$4.00.

7. The Council shall determine whether a service is to be metered.

8. Any unpaid water rates charges provided for under this Bylaw shall constitute debts recoverable by action in any Court of competent jurisdiction, or by distress upon and seizure of goods or chattels of either the owner or purchaser or occupant of the property served, and when in default shall constitute a lien upon the property and shall be subject to the same penalties and collectible in the same manner as other taxes levied by the Town.

9. There shall, in addition to the rates set out above, be levied and collected on the several lands abutting on that portion of the street or place whereon or where-in the water and distribution system is to be laid according to the number of lineal feet thereof of the said several lands measured along the abutting portion a frontage tax at a uniform and equal rate of five cents per foot of the frontage per annum, and the same shall be a lien on the said lands and shall be collected in the same manner as ordinary taxes, provided that where several parcels of land abut on the water system some of which appear to call for a smaller or larger proportionate levy on account of being corner lots or being of a different size or shape from other parcels of lands,

Climbing and hiking place highly stimulating and health-giving activities amid startling scenic beauties at the service of the tourist who visits Alberta and are but two of the many attractions which induce them to return year after year. Alberta's tourist industry can become a major factor in the economy of the province through the co-operation of all who cater to the tourist. The \$1000.00 recipe cookery contest being conducted by the Alberta Government Travel Bureau is designed to develop a typical Alberta Dish that will appeal to visitors to this province.

Photo—Oliver, Calgary.

## Wanted, Help From Good Cooks

Dan Campbell, director of the Travel Bureau of Alberta, is calling for suggestions from the women of Alberta. He thinks that Alberta should have some specialties in food that will remain in the memories of tourists who come to Alberta. Farm women are being urged by the government to concoct a dish that will be distinctive to this province.

He writes: "Boston has its baked beans, Mexico its chili con carne and even Winnipeg has Winnipeg goldeyes, so we, here in Alberta where world-champion food products are produced, should have a dish for which we can become as famous internationally."

"Tourists like our beef steaks and I can't think of a better meat dish to give them, but they can get good steaks in other places so we want ours to be much better than others and served with a distinctive sauce or cooked in some special way which will make it famous for deliciousness all over the world."

Conditions of the contest and entry blanks may be obtained from the local Treasury branch or by writing direct to the Alberta Gov't Travel Bureau, Edmonton.

This choice of a distinctive Alberta dish is something that should challenge individual cooks as well as women's organizations.

There are outstanding cooks in this part of Alberta, and the generally well-fed appearance of our populace indicates a good average. It has often been observed by travellers that if you can get into a Canadian home you meet up with some grand food well prepared, but that the average run of restaurants doesn't leave much last-

ing memory. The Travel Bureau idea is to launch a contest for some good dish for Alberta, prove its appeal, and then launch it as a specialty. But to make it completely successful, there should be a follow up to see that restaurant cooks do not desecrate it.

such exceptional parcel and/or parcels may be assessed as having a smaller or larger number of feet abutting thereon than they actually have, so that each parcel of land abutting on the water system shall bear a fair, just and equitable proportion of the cost of the whole water system.

10. The Council of the Town of Vulcan shall have the right to determine into what classification any service belongs, or the number of feet abutting on the water main for which a levy shall be made.

This Bylaw shall take effect on the date of the final passing thereof.

READ a first time and passed provisionally in Council this 9th day of September A.D. 1946.

Returning Officer.

## A Farm Goal

(From Country Life in B.C.)

The goal of Canadian farmers is a Dominion Natural Products Marketing Act that will give them the right to employ collective bargaining—but always with fairness to the other fellow, who in this case would be the consumer.

That is all there really is to this Dominion legislation.

What is required in Canada's economy and in Canada's agriculture is stability. Insecurity of prices and inability to plan for two or more years ahead will keep agriculture in a turmoil and will embroil the nation in financial grief. Yet, lacking Dominion legislation, that will be the fate of agriculture—and a very unhappy and disastrous fate. Tell this to your member of Parliament and your Senator and your Cabinet Ministers; and keep telling them.

Why should not the farmer have an equal right to fix his prices from Sydney, Cape Breton, to Sidney, Vancouver Island, just as salts and underwear manufacturers fix their retail prices of their products and refuse to supply those who cut these prices by a single cent?

Why not even-handed laws in Canada?

The blizzards sweeping over the prairies in the past two weeks have created conditions unparalleled in main line history of the C.P.R. Slides in the Rockies have created difficulties in the past, but prairie conditions such as have prevailed this winter have never before been experienced.

## News from Champion

The Amity Club held its regular meeting at the home of the president, Mrs. Russell Brown, last Wednesday afternoon. Election of officers for the ensuing year resulted as follows: Miss Margaret Carlson, president; Mrs. Ted Carlson, vice-president; Miss Marion Schmeelke, secretary; Mrs. Wilbur Matlock, treasurer. The meetings will be held each month at the homes of the members. A delicious lunch was served by Mrs. S. Cowgill and Mrs. Brown.

Mr. and Mrs. R. Davies and daughter Irene were Lethbridge visitors during the week.

Frank Bennett has left for Claresholm, where he will reside for the present.

Bruce Alder was a recent Calgary visitor for two days.

Mrs. R. Bond is a Calgary visitor, guest at the home of her son and daughter-in-law, Mr. and Mrs. Don Bond.

Miss Ruth Warren of Calgary was a guest over the week-end at the home of her brothers, Joe and Hubert Warren.

The members of the Women's Association of the United Church are planning a St. Patrick's concert on March 17.

George Dupue of Staveland was a recent business visitor.

Mr. and Mrs. Allen Lyons of Barons were week-end visitors at the home of Mr. and Mrs. Dave Watkins.

J. Long, W. Harris and H. Jopling were recent visitors at Granum on School Board business.

Mr. and Mrs. Dewey Greenlee were business visitors at Calgary for two days this week.

Orville Smith is a patient in a Calgary hospital, having undergone a serious operation during the week.

Joe and Hubert Warren and Bill Racher have returned home after a very enjoyable motor trip to California. They visited relatives in San Diego for a time and while in San Francisco visited with Mr. and Mrs. J. O. Bell of Champion, who are wintering in that city. The boys report having enjoyed every minute of the all-too-short trip.

Mr. and Mrs. Kenneth Alder were business visitors at Edmonton for a few days recently.

Gordon McLean of Calgary was a week-end visitor at the home of his parents, Mr. and Mrs. Chas. McLean.

Mrs. Norman Patterson left this week for Chilliwack, B.C., where she was called owing to the serious illness of her father, I. W. Clarke.

The two rinks participating in the Lethbridge bonspiel are: W. A. McIntyre (skip), W. Everson, J. Mark and W. I. Harris; W. Keenan (skip), J. Taylor, F. Bouzayan and G. Stewart.

Mr. and Mrs. Charles Lebsack were recent Calgary visitors for a few days.

Master Martin Brett has been seriously ill in the Vulcan hospital, where he underwent an emergency appendectomy. Last reports are that he is improving.

Mrs. Clayton Clarkson of Vulcan visited during the week at the home of her parents, Mr. and Mrs. John Schauerman.

E. Code of Calgary was a Champion visitor this week.

Mr. and Mrs. Bjornson, Sr., have returned home after an extended motor trip to Vancouver and the United States. While in Seattle they were the guests of their son-in-law and daughter, Mr. and Mrs. Jack Hopkins.

Owing to the sudden spell of mild weather at Banff the Wm. Christenson rink returned home until more favorable weather comes, when curling in the mountain town will be resumed.

Mr. and Mrs. J. Hildebrandt were recent visitors at Calgary for a few days.

Miss Anne Ellis and Miss Isabel Clarke of Lethbridge were week-end guests at the home of the former's mother, Mrs. W. Ellis.

Mr. and Mrs. Les Christenson recently spent a few days visiting in Calgary.

Harold Stephenson spent last week-end in Calgary, guests of his brother-in-law and sister, Mr. and Mrs. G. W. Rouse.

Mr. and Mrs. Morgan Smith spent a few days in Calgary recently.

Mr. and Mrs. Elwood Granlin were business visitors in Calgary during the week.

Mrs. D. Dow and Miss Gloria Gatenby were Lethbridge visitors on Saturday.

Harry Higgins was a Lethbridge visitor for two days this week.

Ray Wellman of Milo was a recent business visitor for a few days.

C. Versluys is a business visitor at Wetaskiwin, looking after farming interests at that point.

Mrs. A. Reynolds of Calgary has been a house guest of Mr. and Mrs. O. E. Sommers.

Mrs. J. Cholack and children of Lomond are spending a week visiting at the home of the former's parents, Mr. and Mrs. Frank Caldwell.

## District News

(Continued from Front Page)

ter Laverne is attending high school there.

### Brief Items of Local Interest

Miss Lois Mensinger of Calgary spent the week-end at her home here.

Mr. and Mrs. Al Fisher and Mr. and Mrs. Wyllie left recently for a holiday at the coast.

Miss Mae Roebuck, Calgary, spent a few days at her home here recently.

Mr. and Mrs. R. L. Elves, Bowness, were recent visitors to town.

Miss Lois Graham has returned to Calgary after spending a few days at the home of her parents here.

Mr. and Mrs. Floyd Atkinson have returned from a holiday spent in Edmonton and Red Deer. During their stay in the latter city they were guests of Mr. and Mrs. Hugh Lee, formerly of Vulcan.

In observance of the annual Scout-Guide Week, the Ensign Scout Troop will hold a special service at Ensign at 2 p.m. on Sunday, Feb. 23. Assistant Scout Commissioner Blair of Brant will be in charge.

Mr. and Mrs. Geo. Bateman of Brant, returned last week from a month's holidays visiting relatives at Butte, Mont., and Salt Lake City, Utah.

At an organization meeting of the baseball club, held last week, plans for the coming season were made and the following officers elected: Keith Elder, president; F. E. Atkinson, vice-president; Robert Willard, secretary-treasurer.

The ten members of the "U &amp; I" Sewing Club recently enjoyed their annual evening party, which took the form of a dinner at the Imperial Hotel, followed by a show. They were then invited to the home of Mrs. Nonnie Thomas, where they celebrated the birthday of Mrs. Kate Weber and were served sandwiches, birthday cake and coffee by the hostess.

A meeting of the Foothills Alberta Teachers Association local, held in High River last Saturday, was attended by J. Majakey as representative of the Vulcan Sub-local. Miss J. Dinkle is president of the local and Roy Robinson secretary. The main subject of discussion was the holding of a teachers' meeting and banquet in High River on May 2 for the 76 teachers of the local, which includes Vulcan, Nanton, High River and the Foothills School Division.

R.R. Walker was a business visitor to Calgary this week.

Word has been received here of the birth of a son to Mr. and Mrs. Morgan Snow on Saturday, Feb. 15th in Stockwater, N.D.

Miss Elaine Plourd who has spent the past month in Calgary, has returned to her home in the district.

Mr. and Mrs. O. B. Roe are Calgary visitors this week.

Friends of Mrs. Buster Armstrong will be sorry to learn she underwent an operation in the local hospital Monday morning.

Sunday guests at the Burnell Drummond home were: Mrs. Opal Drummond, Miss June Bowie, Mr. and Mrs. Howard Jurney, Mr. and Mrs. P. Bowie, Constable and Mrs. J. Hurst, Mr. and Mrs. Howard Burrell.

Russ Lawrence left recently to attend vocational training school at Red Deer.

Friends of Mr. and Mrs. Art Scott are congratulating them on the recent birth of a son at the local hospital.

Edward Afney and Jack Middleton left on Sunday from Calgary to attend Exercise Husky at Wainwright, Alta. The training includes testing of winter equipment of many kinds and is arranged by Military District 13.

Mrs. R. Lawrence is at present visiting with relatives at Hardisty.

Friends of Mrs. Maisey Sr. will regret to learn she recently had the misfortune to fracture her wrist and she is now a patient in the Vulcan hospital.

Mr. and Mrs. Russel Shouldice of Calgary were business visitors here last week.

Mr. and Mrs. W. S. Hill left on Monday morning for Lethbridge from which they will go by plane for a visit with relatives at Victoria, B.C.

The Bill Suey rink journeyed to Banff last week to take part in the 'spiel there. Personnel of the rink were: W. Suey, J. Middleton, B. Middleton and C. Middleton.

Chester Arney entered the hospital the latter part of the week, where he underwent an appendectomy on Saturday.

### Municipal Meeting

(Continued from Front Page)

the Macleod District.

Our Public Works expenditures in 1946 amounted to \$55,479.41. This figure is fully explained in the financial statement. We overspent according to budget figures, \$4,431.57. Again last year the council was under a big handicap by having machinery which was constantly needing repair, and which could not be replaced. We spend a lot of money in repairs, and in my opinion, we did not receive the amount of road work we should have received, due to break downs and the delay in getting repairs. You all know what difficulty is experienced in getting repairs. With these machines it is worse as many times, orders must be placed with factories in the States for much needed parts and the machines lay idle while waiting for the repairs to come. We also had some grief with our gravelling contract this year. We spent about \$23,000.00 gravelling 29 miles of roads. The following is a statement of Public Works expenditures by divisions:

Ordinary	Work	Gravel	Total
Div. 1.	4,590.61	10,631.36	15,222.17
Div. 2.	4,091.31	770.56	4,861.87
Div. 3.	5,032.34	9,449.69	14,482.03
Div. 4.	3,307.83	2,381.90	5,689.73
Div. 5.	2,735.18		2,735.16
Gen.	12,488.73		12,488.73

We obtained a grant of \$6,000.00 from the Province last year to pay a part of the cost of this gravel.

You will notice division 5, my own division, received a small share of the money in 1946. I hope that in 1947 we will be able to spend the major part of the grant on work in gravelling a road to connect Milo with the Highway and an outlet to Vulcan and Calgary.

The Department of Public Works has a plan of road grants to assist in gravelling side roads which has been used to some extent in the Province. The plan is that the farmers living on the roads affected donate one-third of the cost, the Municipality one-third and the Province one-third. If any of you are interested in this plan, representations should be made early so that they might be considered by the council in plenty of time to be included in this year's budget and the proper application made. I do not know how much money we could get from the Government, but this is a point which should be brought to your attention and discussed. In some districts in the Province last year as much as \$9,000.00 or \$10,000.00 was put up by the ratepayers for this class of work.

The council has been unable to purchase any new machinery. There just isn't any on the market at the present time. We need a bulldozer to cope with the snow situation this year. You all know what we have been up against during the past six weeks in trying to keep roads open. We have been doing our best with what equipment we have, and if some of you have complaints about what has been done, please remember that there is a lot of miles in the Municipal District and the equipment cannot hope to get around to everybody in a day or two.

I wish to express my appreciation to my fellow councillors for the co-operation shown on the council and the earnest efforts put forth to serve the ratepayers in every possible way."

T. F. FISHER.
